**Directive #8**

***“Sing praise to the Lord, all his faithful people!  
Remember what the Holy One has done, and give him thanks!” Psalm 30:4***

As I mentioned in my last directive during the summer we have a new Ontario Provincial Catholic Women's League Communication Chairperson, Marie Therese Lamphier. We welcome her direction and guidance in the coming year in the area of communications.

At the Provincial convention in Thunder Bay in her report Anna Tremblay used two sayings and then showed a power point of photos to illustrate the activities many councils had engaged in during the year. **“A picture is worth a thousand words” and “Actions speak louder than words.”** As I have mentioned in my article in the League Lingo, I encourage you to take photographs of your many activities. These can be used for bulletin boards in your parish, for your newsletters and for your archives. Don't forget to include names, dates and event descriptions with your pictures. Use these photos for a year end summary at your June potlucks in a power point slide show to highlight the great work you have done.

Check out the National Website at [www.cwl.ca](http://www.cwl.ca) There is always great information for you as the Communication chairperson for your council but also for all your members. There is information about the National Convention and League's 100<sup>th</sup> anniversary activities for 2020. On the Spot is a regular feature on the national website and many of our councils in our diocese have been featured in the past! Congratulations!

Some other websites to check out are Catholic Organization for Life and Family COLF [www.colf.ca](http://www.colf.ca) The Vatican at [www.vatican.va](http://www.vatican.va) There are daily meditations, the Pope's encyclicals and information about his latest trip to Columbia.

May our Lady of Good Counsel continue to guide us every day
