We Have Seen the Lord, He is In Us!

To: All Diocesan Council, All Parish Presidents, Corresponding Secretaries.

From: Cam Cadotte, London Diocesan Corresponding Secretary.

Directive # 4

**“The Best Portion of a Person's Life,
is her little, nameless, unremembered acts of Kindness and Love.”
William Wordsworth**

As we approach the season of Advent and Christmas our thoughts in our councils should be on our elderly and shut-ins. This is a time of year that loneliness is often present in their lives. Sending cards is very important as they can see these cards and remember that they are thought of.

When sending your Christmas either through your council or personally please ask your postal outlet for the Religious stamps, asking for Christmas stamps will get you snowmen. The stamp this year depicts a traditional scene from the nativity *The Adoration of the Magi*, the moment when Mary, Joseph and the infant Jesus welcome the arrival of the magi. The wise men stand in the background on the left, while other onlookers including animals typically associated with the scene, appear throughout.

The Provincial Corresponding Secretary send a message to all Diocesan Corresponding Secretaries with the suggestion that we purchase extra religious stamps while they are available and use these beautiful stamps throughout the year every time you mail a card or letter. Remember supply and demand, if we demand Canada Post will supply.

I want to take this opportunity to wish everyone a safe and Blessed Christmas.

Cam
