Directive #5

Educate, Engage, and Empower

Human Trafficking:

Thank-you to all the CWL councils and members who have been sending donations toward the One/Nine/Ninety-Nine initiative to fund Farmtown Canada's July ONroute Human Trafficking Awareness Campaign.

On February 22nd, Canada's Human Trafficking Awareness Day, Farmtown sent out an email postcard called "SAVE THE DATE JULY 30TH". Please continue to share this information and the postcards at: your CWL meetings, with family, friends, your mayor, city councilor, your MPs and MPPs.

July 30th at 9:20am, let's plan to be at our closest 401 ONroute rest stop to show our support as a group of caring CWL members.

The information and postcard have been posted to our London Diocesan Website under the "Take Action" tab on the "Home" page at www.cwllondon.ca.

You can go to Farmtown's website to RSVP and get more information about Human Trafficking as well at: www.farmtowncanada.ca.

Water Conservation:

Ontario Provincial Council is asking our members to focus on water conservation and preservation for 2019. Here are a few examples of ways to conserve water at home. Turn off the tap while brushing your teeth and scrubbing your hands. Shorten the number of minutes of each shower. Fix a leaky faucet... Check out more information at www.cwl.on.ca under "Care for our Common Home", or our diocesan website.

IMPORTANT NOTE: FOR CONVENTION IN WINDSOR

Bring 20-24 pairs of socks and an 8"X11" placard (sign) displaying the total number of pairs collected by your council. Place 20-24 pairs of socks in a bag, or basket and hold the placard during the procession for the Crowning of Mary.

***All the remaining socks collected will stay in your communities to be given to those in need there. ***

See you at the Convention!

Mary Ann
