

The Catholic Women's League of Canada London Diocesan Council

January 1, 2019

It is my great privilege along with the Windsor-Essex Convention Committee to invite you to the 99th Annual London Diocesan Convention being held at the St. Clair Center of the Arts in beautiful Windsor ON overlooking the Detroit River and the skyline of Detroit Michigan!

The convention will take place from Monday, April 29th through to Wednesday, May 1st, 2019. Our time together will evolve around the mantra of Educate, Engage and Empower and concentrate on the Environment! This theme is in conjunction with our national theme of Caring for our Earthly Home! To be cost saving, and reduce our carbon foot print, there will be no tours available...but that doesn't mean we won't have fun!

We start off Monday afternoon with Resolutions Dialogue. Our Opening Mass and Opening Ceremonies will take place right at the convention center...and then the Detroit Motown event will follow with dinner and an amazing fun night! Come and join the festivities.

Business sessions will start on Tuesday and in the afternoon, we will have a panel discussion on the environment in our area. Our Eco Schools from Windsor and Essex County will be taking part along with other environmental partners in the community. These students will amaze you with their knowledge and concern with their Earthly Home!

Our Reaffirmation Mass will be held at Most Precious Blood Parish, the home of our very own Fr. Greg Bonin, Diocesan Spiritual Advisor! The Gala Banquet at the convention center will be memorable.

On our final day together, we will hear from our National and Provincial representatives, and our special speaker on Healing our Souls!

To end the day, an invitation for our 100th Anniversary Convention in Chatham in 2020, and Mass at the convention center will send us all on a safe journey home.

The convention committee has been busy planning and choosing meals and entertainment for your pleasure...remember to support the convention by purchasing meals with us!

Looking forward to our time together to Educate, Engage and Empower all women to great things!

Blessings,
Rebecca McCarrell, President
