Carol Richer, Ontario Legislation Chairperson in her directive of November 11, 2015 asks us to keep abreast of current bills, their status, etc. She reminds us it is important to monitor activities at the municipal level and to advocate for those whose needs are not being met.

***The Election is Over, Now What?*** Carol challenges us to choose a more positive path, to let go of adversarial thinking and focus on goodness for our country and the world. She reminds us there will be times when we disagree with decisions our government makes, and at those times, we should choose to do the research on the issues and write letters or be part of delegations bringing alternative suggestions for what we believe is a better way.

To see Carol Richer's full direction, please go to the Ontario Provincial website: [www.cwl.on.ca](http://www.cwl.on.ca) and search for Legislation Directive #2.

As we enter into this season of Advent, may we prepare our hearts and minds to the coming of Christ.

From my family to yours, ***Joyeux Noel!*** Have a blessed & safe holiday.
