Directive # 7

"Every day you are surrounded by opportunities to offer yourself-weaknesses and all-to the Lord. Give him all that you are and all that you have, and trust in his power working through you even in your weakness. (Corinthians 12:9)"

Again, this shows how all of us can be - Catholic and Living It! The sisters in the League are on the doorstep of a new Century and now have a new plan on how to move forward. We definitely need to forget the phrase - *We always did it this way!* Our councils need to embrace the provincial theme - Go Make a Difference! -

Legislation will be under the Pillar -Social Justice. There will always be a need to monitor the government's intention at all levels. During these past two years we have had Federal and Provincial elections and now we have Municipal elections. Please question the persons who have put their names forward and find out how they feel about water availability, affordable housing and placement of our growing homeless persons. Ask about their plans to get more people working and do our schools meet the needs of our children?

F.Y.I.

- Both the Legislation and Resolution workshops are on our Diocesan site: cwllondon.ca
- Watch for the Place and Times for our live Regional Days. We hope to have great participation to help you adjust to all the changes.
- Welcome Back! Hope to see many of you soon.

May Our Lady of Good Council Bless you!

Remember: Our Lord always has time for you, take time for Him!
