CATHOLIC
and **LIVING IT!**

To: All Parish Presidents, Legislation Chairpersons
CC: London Diocesan Council, Betsy Currier, OPC Legislation Chairperson
From: Denise Lalonde Morris, 2nd Vice/ Legislation Chair
Date: May 2022
Directive # 6

Get up and go. (Acts 9-11)

There has never been a better time for you to get on with being, "Catholic and Living it". Our current Premier has called an election for June 2nd, 2022. Premier Ford has already announced there would be no changes to the current laws concerning abortion even though there is an increasingly large movement in the United States to change current laws. Ladies, the time is now to stand up and be heard. We are all for the rights of women but we also believe in the rights of the unborn. This is the perfect time to question the candidates and let your feelings be known.

The promises from each party are flowing, please take the time and look into your local candidates' platforms. You can search for the list of people running by simply, typing in the following into Google, Provincial candidates for upcoming election and a list of candidates will appear by region. Once you learn their names, you can request information, watch for candidates to announce rallies and debates and try to attend some of these sessions. This is the time to reach out to the Legislation Chairperson as they could do some of the ground work for you. Don't forget those members who are not connected to a computer! Please call members who are not able to drive and ask if they would like a ride to vote!

F.Y.I.

- The Diocesan President is the only spokesperson for the CWL who can speak publicly. It is your mission to bring issues of importance to her attention.
- Keep an eye out for the date of the upcoming live Resolution Workshop. It is a good idea to watch the Legislation Workshop beforehand.
- Have a great summer! Hope to see some of you in Ottawa for OPC Annual meeting.

May Our Lady of Good Counsel Bless you!

Remember: Our Lord always has time for you, Take time for him!
