

# **NOMINATIONS & ELECTIONS**

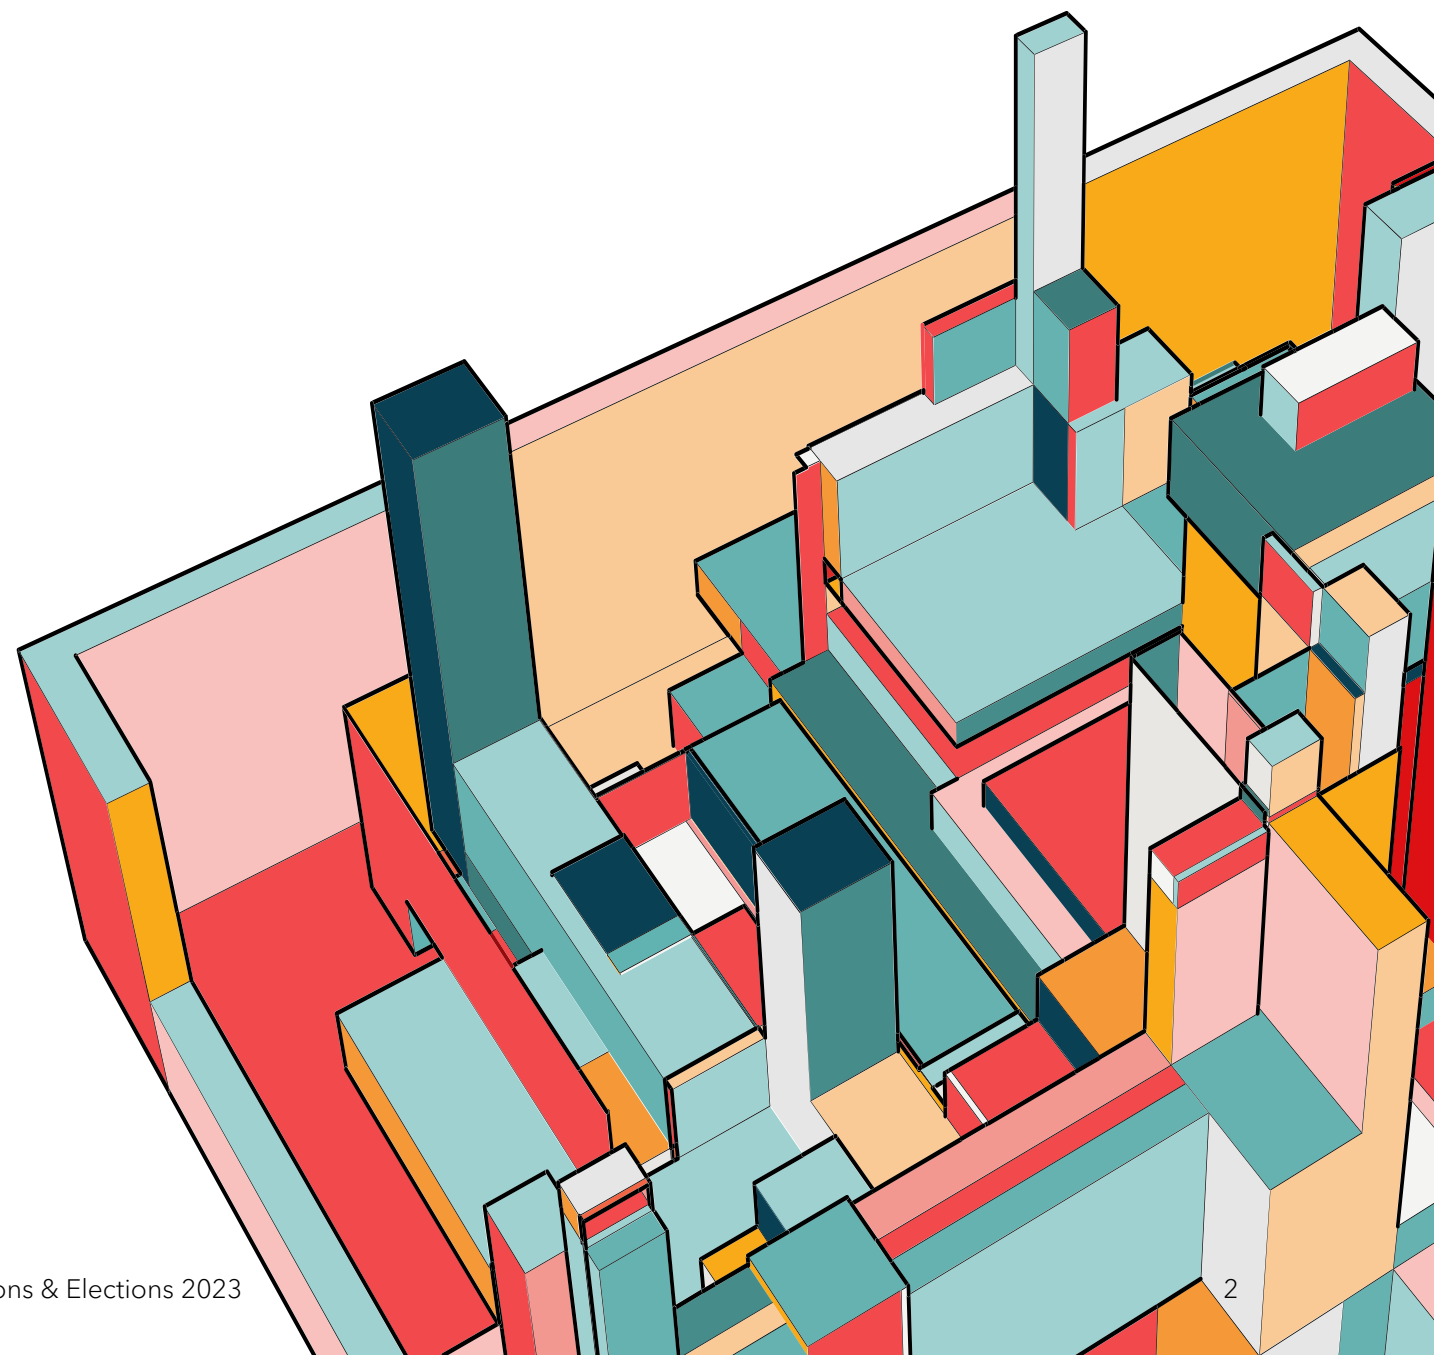

The Catholic Women's League of Canada  
London Diocese

# ABOUT STRATEGIC PLANNING

The Catholic Women's League of Canada initiated change in part to enhance the structure of the League. They were looking for ways to make each council across Canada more structurally sound and encouraging more women to take a role.

Today we will look at this new structure which will be in effect Jan 1, 2023 and affect our diocesan elections in April

For parish councils, this new structure will be introduced at your next election...either now or next fall.
