Directive #10

*"Let the beauty of the Lord our God be upon us, and establish the work of our hands for us".*  
Psalm 90:17

It is hard to believe that Easter is upon us and we will soon be joining together at our annual diocesan convention. I know the convention committee has been working hard to make your time in Sarnia an enjoyable experience.

Just a reminder that your per capita fees **MUST** be received by national prior to the convention in order for you to vote on both the elections and any other motions presented at the convention.

Speaking of membership, have you contacted those members who have not yet renewed to encourage them to do so or to find out the reason they have not renewed? How can you overcome whatever has prevented them from doing so? The number of members has gone down not just in our diocese but across the province and countrywide. I realize current members are not getting any younger and quite a few have now passed away. What can we do to encourage new members to join, especially younger women in our parishes? The CWL plays a large role in our parishes, communities and country – let's find ways to increase our numbers to continue the important work we do.

This is my last directive as your diocesan organization chairperson. I have enjoyed this role and wish all council organization/membership chairpersons well in all your future endeavours.

May Our Lady of Good Counsel continue to bless you in all you do.
