

Our Advent Message

The Gifts of the Season

Adventurous Hope - Abiding Peace - Authentic Joy - Amazing Love

This time of year exposes the hopelessness that so many feel because of loneliness and losses. In 2020, these feelings are compounded because of the restrictions of the CoVID 19 Pandemic. It's a tough time of year!

There is always HOPE because Jesus is alive and well. There is always PEACE as the Holy Spirit, the Comforter, the Advocate walks with us, and never leaves. There is always JOY because Jesus is coming again, and he will reign forever in peace. And God's AMAZING LOVE is always around you.

Keep going. Keep loving. Keep reaching out. Keep hoping!

"Hoping in spite of hopeless circumstances" (Romans 4 ISV) And, you, too, can count on that today!

Wishing you and your families, a safe and happy Advent and Christmas, despite the circumstances.
