

Halleluia! He is Risen!

Jesus is the perfect example of love...he cared for the poor, He healed the blind, He welcomed little children, He forgave those who crucified Him, and He instilled in us a passion for stewardship for all things including Our Common Home!

(Matthew 19, John 9, Luke 23)

As "stewards", we are called to be responsible for caring for property, managing affairs, making resources yield as much as possible. Are you doing your part?

Our Common Home and its people need you to Think Globally, and Act Locally! Act in your Parish, and in your community...Pope Francis tells us it is a part of personal holiness. Water is a priceless commodity...be part of its preservation!

Wishing you a most Blessed Easter!
