Directive #7

***"The secret of change is to focus all your energy, not fighting the old,
but on building the new."* — Socrates.**

This is our time to build the new! As 2023 approaches, the London Diocesan Council will be transforming into the new formation of the Catholic Women's League of Canada.

I have received lists from each regional chairperson for persons who are eligible to allow their name to stand for nominations to our London Executive Council. If I was given your name, you received an election package by email. If you did not receive one, and feel you should have, please email me at ppresloncwl@gmail.com I would be happy to send you a package.

The executive changes will affect our nominations and elections. Some of these positions will be moved up from the current executive, and the others will be available to allow your name to be part of the election process:

Spiritual Advisor: appointed by the Bishop: Fr. Paul Kim
Past President: Theresa Ryan
President: Mary Bannon
Vice President (who automatically moves to the President position)
Secretary (1 only)
Treasurer
Pillars of committees: Faith, Service, and Social Justice. 3 to be elected

Please discern if you will allow your name to stand for one of these positions for the Diocesan Council 2023. Embrace these changes...they are meant to assist you! Without change, we will not grow!

As we approach the Advent and Christmas seasons, let us wait with excitement for the coming of the Christ child! May the true spirit of Christmas shine in your heart and light your path. Wishing you and your loved ones a blessed Advent and Christmas season!

May our Lord Jesus Christ grant you peace and renew your strength for the year ahead!
