

February 1, 2018

Marie Theresa Lamphier
Past President, Historian and Elections Chairperson
London Diocesan Council
The Catholic Women's League of Canada

Dear Marie-Theresa;

After much discernment and prayers, it is with great pleasure that I accept the position of President of the London Diocesan Council of the Catholic Women's League of Canada for the 2018 – 2020 term. I feel confident that I can make a significant contribution to The Catholic Women's League, London Diocese, and I am grateful for this opportunity.

I will represent the women of the London Diocese in all ways to the best of my ability. I will promote the League Objectives whenever possible as we stand together rooted in gospel values and calling each to holiness through service to the people of God.

I promise to advocate for human rights and social justice, I will encourage the women of our diocese to add their voices to the social issues that are affecting Canada and the world. I promise to be an encouragement to offer leadership and growth to our beloved organization.

With God's help, I will walk in faith and in humbleness to serve.

May Our Lady of Good Counsel guide me through these times.

A handwritten signature in black ink that reads "Rebecca McCarrell". The signature is written in a cursive style with a large, sweeping initial "R".

Rebecca McCarrell
