CC: London Diocesan Council

From: Elisabeth Duggan, Recording Secretary

Date: May 2017

I would first like to say how wonderful it was to see so many of you at Convention, renewing friendships and sharing how the Holy Spirit has inspired us.

Directive # 6

I want to review "Amendment" what it is and its purpose.

- The purpose of the motion to amend is to change or clarify the previous motion made.
- You may want to add a certain word or words to clarify the motion under consideration.
- You may want to remove a word or words or even a sentence from the previous motion.
- The chair should allow full discussion to amendment but restrict discussion to the original motion.
- There needs to be a vote on the amendment making sure again they are not voting on the original motion. If the amendment is passed the original motion is amended.
- If the amendment is defeated, another amendment may be proposed with the same process as before.

"Spirit of the Living God, open our hearts and minds to experience the unconditional love of God."

May Our Lady of Good Counsel bless you

Elisabeth Duggan
