Directive # 10

*If we are worth anything, it is not because we have more money or more talent, or more human qualities. Insofar as we are worth anything, it is because we are grafted onto Christ's life, his cross and resurrection. **That is a person's measure.** Oscar Romero*

Thank you

Many thanks to all the councils who have been so helpful to me in my term as your Recording Secretary. I hope that my ministry to you has been valuable.

Robert's Rules of Order (cont'd)

A Quorum of an assembly is such a number as must be present in order that business can be legally transacted. The quorum refers to the number present, not to the number voting. The quorum of a mass meeting is the number present at the time, as they constitute the membership at that time. In all ordinary societies the by-laws should provide for a quorum as large as can be depended upon for being present at all meetings when the weather is not exceptionally bad. In such an assembly the chairman should not take the chair until a quorum is present, or there is no prospect of there being a quorum.. Unanimous consent cannot be given when a quorum is not present, and a notice given then is not valid. While a quorum is competent to transact any business, it is usually not expedient to transact important business unless there is a fair attendance at the meeting, or else previous notice of such action has been given.

Thanks to the ladies who volunteered to help me with the minutes at the convention.

Hope to see you in Sarnia!

Blessings and prayers for a prayerful Lent and a Happy Easter
