Directive # 8

"We must restore hope to young people, help the old, be open to the future, spread love. Be poor among the poor. We need to include the excluded and preach peace." Pope Francis

EDUCATE

National Chairperson of Resolutions, Cathy Bouchard is revising the Resolutions Supplement to the Executive Handbook to reflect the changes in the resolutions process as presented in The Canadian League magazine on page 15 and in my September Directive.

On our diocesan website under the heading Resolutions is a list of the Resolutions prepared by London diocesan councils from 2005-2019. I encourage you to look at that list and follow up on the suggested Action Plans. At the Fall Regional Days you were given the opportunity to support Resolution LONDON.09.01, Abortion and the Effects on Mental Health, through the letter writing workshop. I hope you shared this experience with your members.

ENGAGE

There's still time! Resolution topics are to be submitted to Wilma Vanderzwaag, the Ontario Provincial Chairperson of Resolutions by December 15th so if your council is working on a resolution send me the title and short descriptive summary.

EMPOWER

It's time to complete the annual reports. I look forward to reading yours.

Joan
