First of all, Happy New Year! May 2022 be a blessed and healthy year for you and your families.

As councils ease into gathering, either virtually or in-person when that becomes possible, it is a good time to begin work on a resolution examining an issue that is important to you or your council. Speak with other ladies in your council that are like-minded. Discuss what is needed to get the issue and it's resolution to fruition. I am always ready to assist you if asked.

When looking for information to support the resolution, make sure you are using a reliable source. When you view information on websites, look at the ending letters of the domain name, for example, .gov, .org, .com, etc.

To get additional tips, go to [cwl.ca](http://cwl.ca) and click on Communiqués. You will see Communiqué #2 Resolutions from Rolande Chernichan - National Resolutions Chair.

Stay safe and healthy!

Yours in Christ.
