Directive # 2

Remember that the Christian Life is one of action. Let there be few words and many deeds and let them be done well. -St. Vincent Pallotti

RESOLUTIONS

In November I put forth a directive regarding resolutions with many resources as well as information from Glenda Carson, National Social Justice Pillar. I hope you were able to review this with your councils.

As we learned from surveys done at every level, resolutions were a topic many members found to be engaging.

Please consider creating a resolution. Many expressed interest in making a change for good at the Fall Regional Days. Why not put that desire into action for the upcoming year?

I have created a Resolution Timeline composed from Diocesan and Provincial resources that goes along with this directive. There is also a checklist that can be used.

NEEDED: PEOPLE TO SHARE THEIR WISDOM!

If you are willing to ***mentor councils*** with the resolutions process please contact me at loncwsocialjusticepillar@gmail.com, with the ***Subject Line: Resolutions Mentor.***

A contact list be created and shared with councils who request mentors.
