Directive # 7

Greetings to all my League sisters,

I hope everyone had a restful summer. Even though we have no meetings, it seems the treasurer's job can never be put on hold for very long. There always is a need for money, whether it's for donations or new supplies.

Our per capita is still coming in on a regular basis but our membership is still down about 300 members from 2014. As executive members we need to stay on top of this and find out why our members are not renewing every year. Perhaps each council could set up a team to call these non-renewing members and see if there is something we can do as a council to make members want to renew their membership. We may even see a pattern e.g. not enough spiritual, not enough variety of activities.

Included with this directive is the new treasurer's report form we will be using this year. National has designed this report to make it easier to track your donations. If it seems confusing to you please attend the Fall Regional Day in your area. I will be taking some time to explain the form and how to complete it. Please discard any of the old treasurer's reports. When sending donations to me, please include a remittance form so I can direct your donation to the proper charity.

If you have any questions or concerns please don't hesitate to contact me. May Our Lady of Good Counsel always guide you.

*Blessings,  
Mary Lappan*

Committee: Treasurer

Directive: #7
