### Directive # 6

**"If the mind thinks with a believing attitude one can do amazing things." – Norman Vincent Peale**

Welcome back council treasurers, I hope you had a restful summer and are prepared for all year end activities.

There is much to do to finish this year's objectivities and begin next year's celebration for our 100<sup>th</sup> anniversary.

**As you begin your membership renewal campaign please remember that the per capita has increased and you will be sending \$21.00 to National for every membership. If your membership is already \$25.00 you are covered but for those councils asking only \$20.00 you will need to increase you dues to break even.**

As you prepare your annual budget please remember to include funding for as many members as possible to attend the Diocesan convention in Chatham in 2020. What a celebration that will be. The agenda is being prepared and the convention will have some great topics.

**As well it is election year so get to know the executives as we meet for the Fall Regional meeting. It is important to elect the right person for the position not just elect them to the position because you think the deserve it. The future of the league depends on choosing the right person capable of preforming the task.**

Looking forward to seeing everyone again.

PS: If you are planning on purchasing the great CWL shirts come prepared with \$35.00 as we do not order any shirt that has not been paid for.

May Our Lady of Good Council bless you.
