Directive #10

"...and do everything in a decent and orderly manner"

As we start these last two weeks of Lent, I hope your Lenten journey has provided you with plenty of spiritual nourishment.

According to the National survey, more of our councils are preparing and presenting a budget to their members. This is excellent news but it would be even better if 100% of the councils used this important tool.

Please make sure your council has paid their per capita fees for 2018. Even if all your members have not yet paid, send in what you have collected. Another payment can be sent in at a later date. If your council has not sent any per capita, your president will NOT be able to vote at our election at the convention in April.

The Diocesan financial report is included with this directive to comply with our Constitution and Bylaws. Look it over and bring it with you to the convention. If you have any questions I will answer them at this time.

Since this is my last directive as treasurer I would like to take this opportunity to thank all the treasurers for their support and cooperation. I have learned a lot in the last four years as treasurer and your questions have been a big part of my education. It has been a pleasure meeting so many of you at Fall Regionals, retreats and conventions. Always remember that without your "sound financial control", your council would not be able to meet its goals. **YOU GO GIRLS!**

May Our Lady of Good Counsel continue to bless you and your families.

Blessings,
Mary Lappan
